

NEW ACCESSIBILITY WEBSITE TOOL

We want to make sure that you have access to all of the information about our services that you need.

We have added a new tool to our website to help you **access the information on our websites in a way that is best for you.**

For example, Recite Me can support you by its use of:

- **A screen reader**
- **Styling options**
- **Reading support**
- **Text-to-speech technology**

Recite Me also has a translation tool built into it which makes our websites translatable into over **100 languages.**

You can click on the Accessibility Tool on the top left side of the webpage.

For more information on how to use Recite Me, please scan the QR code on the right.
